NEWS FROM FRANCE

Philippe & Marie Christine

- In Aix en Provence, we continue our Alpha course for couples, please pray for a blessing of the 10 couples who have booked, and for the building of a team for next year.
- We have organised some special events around Easter: 2 Passover meals on Friday 22 and Sat 23, plus a special Easter service on Sunday.
- As a church, we need to find a suitable hall. The one we rent now is expensive and can be cancelled at any time by the owner. Please pray that we can find a good and stable solution.
- Special events outside Aix :
- On Friday 3rd of March, I am preaching at a wedding where many non-Christian will be invited. I have chosen the passage of Jesus in Cana.
- From 8th to 11th Marie and I are in Hungary to give a training to a group interested in Church planting.
- On the 13th of March : one whole day of spiritual retreat with the elders of the Antbes church, where very good things are happening.

NEWS FROM ZAMBIA

Wati & Nkandu

1. Pray for the church leaders in Makwati Church for God's leading Spirit to always help them to be the example in the community, I had a two days seminar teaching about Godly leadership.
2. Pray for the women in Makwati last Saturday Nkandu had a meeting with them encouraging the mothers about the importance of looking after and bring the up in the fear of the Lord. Pray for the Word they heard to grow in their lives.
3. pray for our children that God will keep provide for them.
4. Pray for the children in Makwati community, last Sunday we had a team a team building day and we hired a Bouncy Castle, and it was the first time they had seen one. They were excited and we are thinking of arranging such events once every three months.
4. Pray for the youth ministry we have started in the community that it will grow to the glory of God. This will help the youths to be kept busy and stay out of trouble, after some activities with them then there is the sharing of the word of God.
5. The maize was growing very well but now unfortunately there is a dry spell in most part of Zambia especially central province and most of the maize is drying up and we have been affected.

NEWS FROM NYANGOMBE

Gordon and Sybil

Please pray that:

- A) God will prepare the hearts of those preaching at and attending the Easter conference at the end of March. God will direct our leadership team, those responsible for the logistics of feeding and housing hundreds of visitors at NCTC.
- B) Those attending the Bible school sessions in 2024 will know the Lord's provision to travel in this challenging economic climate.
- C) God will send the rains needed across Zambia to avert famine. Many farmers to the south of NCTC have already been devastated by the lack of rain.
- D) The new church plant in Samuteba Village will continue to grow and become established as people grow in the love and knowledge of the Saviour.
